

Dear Senior Parents,

I want to inform you of what we are doing about senior pictures in the yearbook in the coming year. We will be doing the yearbook on-line for again which will enable us to have photos sent directly to the Jostens' web site. The entire yearbook is in color, so seniors need to submit color photos. If your senior chooses to have a picture taken by a private photographer, he/she needs to have the photographer send the digital image directly to our account at the Jostens' web site and we will be able to easily place the picture on the yearbook page.

**We will automatically load the seniors' school photos to the yearbook page in the fall and will only replace them if the following conditions are met:**

- 1) We receive a photo from your photographer by our deadline (the last day of November)**
- 2) The picture follows our specs**
- 3) Your students is in compliance with the SC dress code**

I am attaching a copy of our specs for the senior photo that you need to give to your photographer. This information is given out at the end of the school year and again at registration. Hopefully all of this will go smoothly.

Feel free to contact me if you have any questions. My e-mail address is [knauppe@santiam.org](mailto:knauppe@santiam.org).
