

## To all Senior Parents Re: Senior Baby Ad

We have a creative and fun way for you to tell your senior that you love him/her. For only \$35.00 you can place a personal ad in the index of the yearbook. This is only available to senior parents and is an unexpected gift your senior will cherish forever!

### **Here's how to order:**

- 1) Decide what you want your message to be and the picture you wish to use.
- 2) Fill in the box on this order form with a sketch of what you want and send us the picture you wish to use. Write your name on the back so we can return it to you next fall after the yearbooks arrive. Please **DO NOT** cut the picture. We scan it and can enlarge it to make it the correct size. Include a check for \$35 made out to Santiam Christian.

**OR e-mail the message and picture to Miss Knaupp, the yearbook advisor, at [knauppe@santiam.org](mailto:knauppe@santiam.org). You may mail the check made out to Santiam Christian, putting to it to the attention of the yearbook staff, or bring it by the high school office and ask the secretaries to put it in Miss Knaupp's box.**

Please be sure that your layout, picture, and a check made out to Santiam Christian for \$35.00 are returned by January 31.

*We recommend that you keep this a secret and let your senior be surprised when the yearbook comes.*

If returning this form, write your message clearly in the box. Sketch it the way you want it to look. Look in the index of last year's yearbook for sample layouts.

**Thank you for returning this by January 31.**
