

To all Senior Parents

Re: Senior Baby Ad

We have a creative and fun way for you to tell your senior that you love him/her. For only \$35.00 you can place a personal ad in the index of the yearbook. This is only available to senior parents and is an unexpected gift your senior will cherish forever!

Here's how to order:

- 1) Decide what you want your message to be (a picture, a message, or both.)
- 2) Fill in the box on this order form with a sketch of what you want.
- 3) If desired, include a picture. Write your name on the back so we can return it to you next fall after the yearbooks arrive. Please DO NOT cut the picture. We scan it and can enlarge or change the shape of what you want.
- 4) Return this order form, picture, and a check made out to Santiam Christian for \$35.00 by the end of January.

Senior Baby Ad for _____

We recommend that you keep this a secret and let your senior be surprised when the yearbook comes.

Write your message clearly in the box. Sketch it the way you want it to look. Look in the index of last year's yearbook for sample layouts.

Thank you for returning this by January 31.
