CHARACTER EDUCATION PROGRAM

The character education topic for the month of October is: Determination - Overcoming obstacles in order to reach my goal. The weekly verse is Hebrews 12:1,2 "Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God."

Please be watching for more information to come out weekly from Mr. Villers regarding our monthly character traits.

BOX TOPS PROGRAM COORDINATOR NEEDED

SC Elementary is in need of a new Box Tops Program Coordinator. This is a volunteer program that will give you a sufficient number of hours to cover your required 25 hours of "regular" volunteer time, plus some! The work is typically done at home, but will require infrequent visits to school for Box Top pick-ups. A working internet connection is necessary, as a very minor upload of information to General Mills is required a few times per year. The job primarily consists of the collecting, sorting, and counting of Box Top coupons, plus the preparation and shipping of them a few times a year. This is an easy way to complete your non-major hours, while helping to raise lots of money for SC! We have raised many thousands of dollars over the years through this program. Training will be provided. Contact [Kathie Carley](#) in the Elementary Office for more information or to apply.
