CHARACTER EDUCATION PROGRAM

The character education topic for the month of November is: Gratefulness: Letting others know by my words and actions how they have benefited my life. The weekly verse is Colossians 3:16, "Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts."

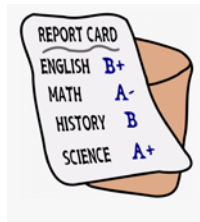

Please be watching for more information to come out weekly from Mr. Villers regarding our monthly character traits.

LBCC - ROADRUNNER ADVANTAGE

Ready to be a Roadrunner? Linn-Benton Community College is offering first-time college students and high school seniors the opportunity to get ahead of the curve.

YOUR FUTURE IS WITHIN REACH NOW

Apply early. Register early.
Get that Roadrunner Advantage.

When you apply by November 30, 2020, you receive an exclusive EARLY REGISTRATION date to enroll in your fall 2021 classes. With hundreds of students planning to enter LB next fall, this means you get the Roadrunner Advantage of being able to get into the classes you need, so you can fast-track your success. Applicants that meet all program deadlines receive an Advantage early registration date and will enroll in their fall 2021 classes before most new students.

Here's how it works:

Apply to Linn-Benton Community College by November 30, 2020! Have credit from high school? You still need to fill out the New Student Application form. We are here to help!

Not sure of your exact path? That's ok! At LBCC you don't need all of the answers up front – you just have to commit to going to college. Begin with your area of interest and get into the right classes that will apply toward whatever degree you choose. We offer "meta-majors" – seven areas of study that get you started in the right direction. An advisor will walk you through your options.

Once you apply, you will receive an early registration date. Once we receive your application, we will be in touch with you about your exclusive date to sign up for classes. We will also connect with you to help you schedule your placement tests, and work with you to plan your first year at college.

If you would like to learn more or have questions about this program, please contact Virginia Mallory at mallorv@linnbenton.edu.

LOVE OFFERING FOR SC FACULTY/STAFF

In years past, our board has asked our community to pray about giving a love offering for our faculty and staff. These requests have typically happened at our Christmas concerts in December. Since we won't be able to meet in large groups next month, our board wanted to make sure that you were able to still pray about giving this year. The December Love Offering has been a tradition at Santiam Christian for a very long time, and we want to make sure it still happens this year. Please pray about making a gift to support our amazing staff, thank you!

OPERATION CHRISTMAS CHILD

It is time for our annual Operation Christmas Child service project, and this year we hope you will choose to participate once again. More than ever, hurting children around the world need to hear the message of hope through Jesus Christ, and your shoebox gift can be the very tool that will draw a child to faith in Jesus. Please visit <https://www.samaritanaspurse.org/what-we-do/operation-christmas-child/> and scroll down the page to watch the video on "How to Pack a Shoebox."

The drop off site for all boxes will be in the SC Elementary office on November 17-19. Your children can bring their shoebox gifts directly to the office, and classes will be praying over them throughout the week. A generous donor gave approximately 150 red/green OCC shoeboxes, so your child may pick one up in the office and bring it home to fill. You may certainly use any cardboard or plastic box you have at home as well, or if you see any costumed 6th Graders at morning drop-off looking like large red/green boxes, you can also approach them for a shoebox to take home.

Thank you for considering having your children participate in Operation Christmas Child. It is a wonderful way to teach them about loving the children of the world.

THANKSGIVING GIVING PROJECT

Each year the high school spends the few weeks right before Thanksgiving collecting funds for a worthy ministry project. This year, we are collecting for Wide Awake International. To learn more about their ministry, check out their [website](#). This is intended to be a student-led and student-driven project, so it's great if you'd like to contribute as parents, but even better if you help your teen figure how he or she wants to participate. To just add a little fun, it's a friendly competition between classes to see who can raise the most money.

The collection period will be from now until Tuesday, November 24. For now, funds can be dropped off at school.

COMPLYING WITH COVID GUIDELINES

Please remember that masks are required to be worn in all campus buildings in order to comply with the guidelines. We are striving to always meet guidelines for disinfecting, distancing and mask wearing so we can remain open in good standing.
