## Themes From Judas Maccabaeus

This is an arrangement of the song, "Hail, the Conquering Hero" from Handel's oratorio, "Judas Maccabaeus." Judas Maccabaeus was a priest who led the revolt against the Seleucid Empire in Israel in the second century BC.

## Stampede

It's a beautiful calm day on the range...or is it? What begins as a gentle flowing melody quickly becomes a musical stampede representing a group of spooked cattle. The horses, heard as temple blocks, round up the group and serenity is restored as the opening strains of the piece return to conclude this imaginative work.

## Bazaar!

Join us on a musical tour of the exotic markets of the Middle East. As you listen, imagine the aroma of spices and the sight of beautiful fabrics while the sounds of the crowds and laughter fill the air.

## Moscow, 1941

Based on the famous Russian song Meadowlands, this work also uses original material to tell the story of the Red Army successfully defending Moscow against the German invasion in the Second World War.

## Escape From the Deep

This piece tells the story of the nine survivors of the sunken American World War 2 submarine, the USS Tang.

***Praise God in His heavenly dwelling;  
praise Him in His mighty heaven!  
Praise Him for His mighty works;  
praise His unequalled greatness!  
Praise Him with a blast of the trumpet;  
praise Him with the lyre and harp!  
Praise Him with the tambourine and dancing;  
praise Him with stringed instruments and flutes!  
Praise Him with a clash of cymbals;  
praise Him with loud clanging cymbals.  
Let everything that lives sing praises to the Lord!  
Praise the Lord!***

***Psalm 150***
