

SANTIAM CHRISTIAN

Character, Leadership and Community.

Good afternoon Santiam Christian Parents,

We are looking forward to transporting your children for the 2022-2023 school year! We would like to communicate some temporary changes that will be in effect for the first few weeks of school. Due to a driver shortage, some routes will have to shift from door to door pickup to centralized pick up and drop off locations. We will be reaching out to parents during the last week of August to go over what this will look like for specific routes.

The good news is that these changes are TEMPORARY! We have new drivers who are currently in training and will have their license soon! As soon as they are fully licensed we will be shifting back to the traditional route format as much as possible. If you have any questions please feel free to reach out to transportation@santiam.org and we will do our best to help you! Thank you for your understanding and patience during this transition period!

Sincerely,

Tim Buhrkuhl and Kelsey Cordier
Transportation Department
