FAMILY SERVICE HOURS (FSH)

Volunteerism is a foundation of our SC community. Each family is required to give at least thirty (30) hours per year to support our school programs. Common examples of areas to serve are coaching, classroom helpers, field trips, fundraisers, etc. Five of these hours must be utilized for a major fundraising activity that our Board organizes. Families that cannot volunteer in a given year are charged a \$825 fee, which is determined each May. However, once the hours are fulfilled, a Family Service Form must be turned into the Business Office for credit.

FINANCIAL AID

Financial assistance for qualified families is determined annually. Please do not hesitate to apply online through our financial aid application. We use a third-party vendor to maintain confidentiality [online.factsmgmt.com](https://www.factsmanagement.com)

Completed applications submitted before April 30th, 2023, will receive aid notification by June 1st, 2023.

Incomplete applications will NOT be reviewed until complete.
